RE: Grow with Google & Career Opportunities

Battle Creek, MI – The Battle Creek Area Chamber of Commerce is excited to have partnered with Google on an upcoming professional development opportunity for all, **Power Your Job Search with Google Tools**. Discover new job opportunities using Google Search, and learn how to organize and enhance your job search experience using G Suite tools. In this session we'll discuss best practices for:

- Discovering career opportunities using Job Search on Google
- Using Google Sheets to track the progress of job applications
- Creating a resume using Google Docs

[Registration](#) is open to all and is only \$10 to participate. Once registered, the Battle Creek Area Chamber of Commerce will confirm payment with you. For more information, you may also visit us on [Facebook](#). Power Your Job Search with Google Tools is a virtual webinar on Tuesday, October 20, 2020 from 1 – 2 p.m.

In 2020, The Chamber's Board of Directors approved a strategic direction consisting of four NEW Pillars providing more value to the Chamber and its members. One of these Pillars, **Be a Center of Excellence**, focuses on the Chamber being the number one resource for best-practice and innovative resources and information for the community. Along with partnering with Google (webinars coming available in November and December 2020), we've also launched the Career Opportunities page at battlecreek.org. Members in good standing may now enjoy yet another FREE membership benefit by posting their job opportunities on the Chamber's website. Also, there's an opportunity for their business to become the Featured Career Opportunity of the week.
