RE: Battle Creek Area Chamber of Commerce Hosts Statewide Webinar | Sharing Solutions Michigan

Battle Creek, MI – On July 20 from 3 to 4 p.m. EDT, the [U.S. Chamber Foundation](#), along with the [Battle Creek Area Chamber of Commerce](#) is hosting a series of conversations about best practices for employers to address substance misuse in the workplace.

National experts and members of local communities will discuss creating drug-free workplaces, building effective employee assistance programs, working with benefits providers, new complicating factors resulting from COVID-19, and how businesses can respond to these new challenges.

The more local business leaders, community leaders, employees, and community members we can get to attend, the more people in Michigan will have the tools needed to address this growing and terrible crisis. We appreciate your help spreading the word to your community.
